

With Patricia McGivern **March 5-14, 2024** **Spring Equinox** *9 nights / 10 days*

Join me on an unforgettable soul expanding journey to the cradle of civilization...Ancient Egypt! A breathtaking land filled with mystery and awe where I'll facilitate a group past life regression in the **Great Pyramid**. We'll stand between the **Paws of the Sphinx**, **cruise** down the Nile and visit sites of the **Ancient Mystery Schools**!

- **Great Pyramids of Giza:** We'll open our hearts, souls and bodies to the powerful experiences we are embarking on. You will have an opportunity to walk inside the pyramid to the King and Queen's Tomb (not open to the public) where we will have a group past life regression.
- **Grand Egyptian Museum:** Newly opened and magnificent!
- **Sphinx:** We have a unique opportunity to stand between the paws of the Sphinx (not open to the public).
- **Abu Simbel:** The Temple of Ramses II has a powerful energy and is a place of healing. The Temple of Nefertari is thought, by some, to be the mystery school of Hathor where priestesses were trained.
- **Temple of Isis:** We will take a boat to the Isle of Philae to explore the Temple dedicated to the goddess Isis, wife of Osiris and mother of Horus.
- **Valley of the Queens and Temple of Hatshepsut:** This Temple honors a magnificent beloved Queen who ruled like a King. A Pharaoh in her own right.
- **Valley of the Kings:** A royal burial ground for Pharaoh's including Tutankhamun and Amenhotep.
- **Old Cairo:** We will begin our journey here on the ancient cobblestone road where the marketplace is over 1,000 years old.
- **And experience a Nubian Village, Kom Ombo, Edfu Temple, Luxor Temple, Karnak Temple, Temple of Hathor, Dandera and Abydos.**
- **Group Past Life Regressions:** Several times on our journey. One inside the Great Pyramid.

Special treat: We will have our own Egyptologist on the journey.
