

With Patricia McGivern

September 21 – October 2, 2024

11 nights/12 days

Join me on one of the most empowering, inspiring and sacred journeys exploring the mysteries of France. A land where Mary Magdalene lived, healed and taught and where you can feel her energy. We will stay near the banks of the Seine in Paris, on the beach of Saintes Marie de la Mer, inside the medieval walls of Carcassonne, in our own castle in the beautiful and mystical land known as the Languedoc and on the edge of the Sanctuary in Lourdes. The Languedoc is rich in the history of Mary Magdalene, Cathars, and Knights Templars and is a region known to awaken oneself. There's a reason this has been sacred ground for thousands of years!

Our spiritual journey will allow you to experience what your soul needs: a personal awakening, a soul deepening or a soul healing in the sacred sites we visit, including:

- **Paris:** Our journey begins with a welcome ceremony in a park overlooking Notre Dame. Our walking tour will include the exterior of Notre Dame (renovations are ongoing), Saint Severin, Saint Sulpice (a church with the Magdalene/Rose/Meridian Line and others).
- **Saintes-Maries-de-la-Mer:** Our journey will take us to where Mary Magdalene arrived on the Mediterranean seashore with Mary Salome, Mary Jacobi and others.
- **Carcassonne:** Here we will explore the ancient medieval walled city (and UNESCO site) first settled in 3,500 BC, walk the cobblestone streets and see the Basilique Saint Nazaire.
- **Limoux:** We will visit Notre Dame de Marseille with its Black Madonna and ancient healing well and St. Martin where we will see a beautiful stained glass of Mary Magdalene and Jesus at equals.
- **Alet Les Bains:** Known as "The Chosen Place," where we'll visit the exterior of the home of where Nostradamus lived, and see the beautiful ancient Abbey and Church.
- **Rennes le Chateau:** The inspiration for books such as *Da Vinci Code*, *The Chosen One* and *Holy Blood, Holy Grail*. This is where the priest Berenger Sauniere discovered secret documents!
- **Nebias:** We will walk in a mystical forest where there is a stone labyrinth and standing stone.
- **Montsegur:** The last stronghold of the Cathars and where we will walk to the top (if you choose).
- **Languedoc region:** We'll visit Mary Magdalene's Cave, the Fountain of Love (where Magdalene did baptisms) and much more!
- **Lourdes:** Here we will walk the powerful evening Procession in the Sanctuary, enjoy an informative tour from a local guide and experience the Baths (*optional*).

***As a special treat**, Michelle Campbell will take us to special sites and share the mysteries in Paris. Kathleen McGowan, author of the bestselling book "The Expected One" will show us around Rennes le Bains (based on availability).
