

With Patricia McGivern

February 13 - 23, 2025

10 nights / 11 days

Join me on an unforgettable soul expanding journey to the cradle of civilization...Ancient Egypt! A breathtaking land filled with mystery and awe where I'll facilitate a group past life regression in the **Great Pyramid**. We'll stand between the **Paws of the Sphinx**, **cruise down the Nile** and visit sites of the **Ancient Mystery Schools!**

- **Great Pyramids of Giza:** We'll open our hearts, souls and bodies to the powerful experiences we are embarking on. You will have an opportunity to walk inside the pyramid to the King and Queen's Tomb (private for us) where we will have a group past life regression.
- **Grand Egyptian Museum:** Newly opened (hopefully) and magnificent!
- **Sphinx:** We will have *private* time to have a unique opportunity to stand between the paws of the Sphinx (not open to the public) as we watch the sun rise.
- **Abu Simbel:** The Temple of Ramses II has a powerful energy and is a place of healing. The Temple of Nefertari is thought, by some, to be the mystery school of Hathor where priestesses were trained.
- **Temple of Isis:** We will take a boat to the Isle of Philae to explore the Temple dedicated to the goddess Isis, wife of Osiris and mother of Horus.
- **Valley of the Queens and Temple of Hatshepsut:** This Temple honors a magnificent beloved Queen who ruled like a King. A Pharaoh in her own right.
- **Valley of the Kings:** A royal burial ground for Pharaoh's including Tutankhamun and Amenhotep.
- **Kom Ombo:** dedicated to the two God Sobek the crocodile God and Horus.
- **Luxor Temple:** We'll visit the temple at night and see it in all its majesty.
- **Karnak Temple:** Believed to be the spot where creation began. At one point it was the most important place of worship in Egypt. The entire complex covers 75 acres.
- **Edfu Temple:** The largest temple dedicated to Horus, depicted as a man with a falcon head and son of Isia and Osiris.
- **Temple of Hathor and Dendera:** One of the best-preserved temple complexes of ancient Egypt and is dedicated to the goddess Hathor, the goddess of motherhood, love and joy.
- **And experience** a Nubian Village. Nubians are an indigenous people in southern Egypt (similar to our Native Americans).
- **Group Past Life Regressions:** Several times on our journey. One inside the Great Pyramid!

Special treat: We will have our own Egyptologist on the journey. We'll watch a beautiful light show on the Pyramids and at Abu Simbel. *Optional* camel ride and balloon ride. Visit the Nefartari Tomb (if open).
